

# PRIDE MOUNTAIN VINEYARDS

## 2023 SANGIOVESE

The 2023 Sangiovese is the first vintage in which our Quartz Hill block, planted in 2019, dominates the blend, and we could not be more thrilled. The aroma is a complex dance that begins with cherries and baking spice taking center stage before giving way to raspberry and finally citrus, leaving an impression of candied blood orange rinds. On the first sip, the flavors expand to include rosemary and dried lavender, which are uplifted by the wine's energetic mouthfeel. As the fruit and acid melt away, the smooth tannins add length and highlight lingering flavors of tobacco and clove.
