

PRIDE MOUNTAIN VINEYARDS

2022 VINTNER SELECT CHARDONNAY

The 2022 Vintner Select cuvee is high altitude chardonnay at its finest. Its aroma is a complex balance of grapefruit blossom, the nuanced spice of Baldwin apples, and crushed rock, all of which is punctuated by an enticing flourish of Kaffir lime. The first sip quickly reminds you that this fruit was raised on a mountain with enticing richness and beeswax nuance giving way to vibrant citrus and saline notes. The acidity provided by our cool marine-influenced afternoons is crucial in allowing this wine to have substantial depth while remaining fresh and uplifting.
